To Our Shareholders:

On behalf of the Board of Directors (the “Board”) of RBB Bancorp (the “Company”), we are pleased to invite you to participate in the 2023 annual meeting of the Company’s shareholders (the “Annual Meeting”), which will be held on Friday, June 9, 2023 at 11:00 a.m., Pacific Time in person at the 888 Seafood Restaurant, 8450 East Valley Boulevard, Rosemead, California 91770, with options to also participate via live webcast or telephonically, using the instructions set forth below and in the Proxy Statement.

To participate in the Annual Meeting telephonically, call Catherine Wei at 714-676-2425 anytime in advance of the Annual Meeting, to obtain the Annual Meeting phone number and access code, or to participate in the Annual Meeting via live webcast, access the following website: <https://attendee.gotowebinar.com/register/6200857883757085024> and use the proxy control number on your proxy card as the access code, and participate live in the webcast.

At the Annual Meeting, you will be asked to elect ten (10) directors, each for a one-year term or until their successors are elected and qualified, to approve, on a non-binding advisory basis, the compensation of the Company’s named executive officers, and to ratify the appointment of Crowe LLP as the Company’s independent auditor for the fiscal year ending December 31, 2023.

The Board has determined that each of the proposals that will be presented to the shareholders for consideration at the Annual Meeting are in the best interests of the Company and its shareholders, and unanimously recommends and urges you to vote “**FOR**” each director nominee, “**FOR**” the approval, on a non-binding advisory basis, of the compensation of the Company’s named executive officers and “**FOR**” ratification of Crowe LLP as the Company’s independent auditor for the fiscal year ending December 31, 2023. If any other business is properly presented at the Annual Meeting, the proxies will be voted in accordance with the recommendations of the Company’s Board of Directors.

Only shareholders of record at the close of business on April 10, 2023 are entitled to notice of and to vote at the Annual Meeting.

**Your vote is very important. Whether or not you expect to attend the Annual Meeting in person or participate telephonically or via a live webcast, we encourage you to cast your vote via the Internet, by phone or if you prefer, by completing, signing, and returning your proxy card in the accompanying return envelope. Specific instructions for voting via the Internet or by phone are stated on the proxy card and in the enclosed Proxy Statement. If you hold your shares of the Company’s common stock through an account with a brokerage firm, bank, or other nominee, please follow the instructions you receive from them to vote your shares. Your cooperation is appreciated since a majority of the outstanding shares of the Company’s common stock must be represented, either in person or by proxy, for us to transact business at the Annual Meeting.**

**Each proxy is revocable and will not affect your right to vote in person if you participate in the Annual Meeting. If you hold your shares in certificate form and participate in the Annual Meeting telephonically or via a live webcast, you may simply revoke your previously submitted proxy and vote your shares at that time. If your shares are held by a broker or otherwise not registered in your name, you will need additional documentation from your record holder to vote your shares telephonically or via the Internet at the Annual Meeting. If you hold your shares in certificate form, please indicate on the proxy whether or not you expect to participate in the Annual Meeting telephonically or via the live webcast.**

We look forward to seeing or hearing from you at the Annual Meeting.

Sincerely yours,  
/s/ David R. Morris

**PROXY STATEMENT**

**GENERAL INFORMATION**  
For the 2023 Annual Meeting of Shareholders  
To Be Held on Friday, June 9, 2023

Our Board of Directors is soliciting proxies to be voted at our 2023 Annual Meeting of Shareholders (“Annual Meeting”) on June 9, 2023, at 11:00 a.m., Pacific Time, for the purposes set forth in the attached Notice of Annual Meeting of Shareholders (the “Notice”) and in this Proxy Statement. This Proxy Statement and the proxies solicited hereby are being first sent or delivered to shareholders of the Company on or about May 12, 2023.

As used in this Proxy Statement, the terms “Company,” “we,” “us” and “our” refer to RBB Bancorp, the term “Bank” refers to Royal Business Bank and the terms “Board of Directors” and “Board” refer to the Board of Directors of the Company or the Bank, as the case may be.

**Information About the Annual Meeting, Voting and Proxies**

**Who May Vote?**

If you were a shareholder of record of the Company’s common stock at the close of business on April 10, 2023 (the “Record Date”), you are entitled to notice of and may vote at the Annual Meeting.

**How Many Votes Do I Have?**

Each share of common stock outstanding at the close of business on the Record Date is entitled to one vote on each of the matters to be voted upon at the Annual Meeting. If any shareholder participating in the Annual Meeting gives notice at the Annual Meeting, prior to the voting, of an intention to cumulate votes in the election of directors, then all shareholders will be entitled to cumulate votes in that election. See “*What Is Cumulative Voting and How Do I Cumulate My Shares?*” below. On the Record Date of April 10, 2023, a total of 18,992,903 shares of common stock were entitled to be voted. We have no other class of stock outstanding.

**What Is Cumulative Voting and How Do I Cumulate My Shares?**

For the election of directors (Proposal No. 1), California law provides that a shareholder of a California corporation, or such shareholder’s proxy, may cumulate votes in the election of directors. That is, each shareholder may cast that number of votes equal to the number of shares owned by such shareholder, multiplied by the number of directors to be elected, and such shareholder may cumulate such votes for a single candidate or distribute such votes among as many candidates as such shareholder deems appropriate.

Certain affirmative steps must be taken by you in order to be entitled to vote your shares cumulatively for the election of directors. At the Annual Meeting, no shareholder is entitled to cumulate votes (i.e., cast for any one or more candidates a number of votes greater than the number of the shareholder’s shares) unless the candidates’ names have been placed in nomination at the meeting and prior to the commencement of the voting and at least one shareholder has given notice at the meeting and prior to commencement of the voting of the shareholder’s intention to cumulate votes. If any shareholder has given such notice, then every shareholder entitled to vote may cumulate votes for candidates in nomination and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which that shareholder’s shares are entitled, or distribute the shareholder’s votes on the same principle among any or all of the candidates, as the shareholder thinks appropriate. The candidates receiving the highest number of votes, up to the number of directors to be elected, will be elected.

The proxies designated on your proxy card do not, at this time, intend to cumulate votes, to the extent they have the shareholder’s discretionary authority to do so, pursuant to the proxies solicited in this Proxy Statement unless another shareholder gives notice to cumulate, in which case your proxy may cumulate votes in accordance with the recommendations of the Board of Directors. Therefore, discretionary authority to cumulate votes in such an event is solicited in this Proxy Statement.

**How Do I Vote?**

*Voting in Person.* If your shares are registered directly in your name with our transfer agent, IssuerDirect, at the close of business on the Record Date, you are considered the shareholder of record with respect to those shares and you have the right to vote your shares in person at the Annual Meeting. If your shares are held through a broker, bank or other nominee (that is, in “street name”) at the close of business on the Record Date, you are considered the “beneficial owner” of those shares and you may vote your shares in person at the Annual Meeting only if you obtain a “legal proxy” from the bank, broker or other nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting. Directions to the Annual Meeting may be found at <https://ir.rbbusa.com/events-and-presentations/events>.

*Voting Telephonically or via Live Webcast During the Annual Meeting.* If your shares are registered directly in your name with our transfer agent, IssuerDirect, at the close of business on the Record Date, you are considered the shareholder of record with respect to those shares and you have the right to vote your shares in person at the Annual Meeting. If your shares are held through a broker, bank or other nominee (that is, in “street name”) at the close of business on the Record Date, you are considered the “beneficial owner” of those shares and you may vote your shares in person at the Annual Meeting only if you obtain a “legal proxy” from the bank, broker or other nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting.

If any shareholders wish to vote their shares during the Annual Meeting, you can vote (1) in person by attending the Annual Meeting at the 888 Seafood Restaurant, 8450 Valley Blvd., Rosemead, CA 91770, (2) telephonically by calling Catherine Wei at 714-676-2425 anytime in advance of the Annual Meeting, to obtain the Annual Meeting phone number and access code, or (3) by accessing the following website: <https://attendee.gotowebinar.com/register/6200857883757085024> and using the proxy control number on your proxy card as the access code, and participating live in the webcast.

*Voting by Proxy for Shares Held by a Shareholder of Record.* If you are a shareholder of record as of the Record Date, you may direct how your shares are voted without participating in the Annual Meeting in one of the following ways:

- *Voting by Phone.* You may vote by calling 1-800-690-6903 to transmit your voting instructions through touch-tone telephone. The deadline for voting by phone is 11:59 p.m., Eastern Time, on Thursday, June 8, 2023.
- *Voting on the Internet.* You may vote on the Internet by accessing the website address and following the instructions printed on your proxy card. The deadline for voting on the Internet is 11:59 p.m., Eastern Time, on Thursday, June 8, 2023.
- *Voting by Mail.* You may vote by completing, signing and returning your proxy card by mail. To vote in this manner, please mark, date and sign the enclosed proxy card and return it by mail in the accompanying postage-prepaid envelope. **In order to assure that your shares will be voted, you should mail your signed proxy card in sufficient time for it to be received before the Annual Meeting.** If your shares are registered in different names or you hold your shares in more than one capacity, you will receive more than one proxy card. In that case, if you choose to vote by mail and you want all of your shares voted, please complete each proxy card that you receive and return it in its own postage prepaid envelope.

Even if you plan to participate in the Annual Meeting in person, telephonically or via the live webcast, we recommend that you submit your proxy in advance of the Annual Meeting as described above so that your vote will be counted if you later decide not to join the Annual Meeting. Submitting your proxy by phone, Internet or mail will not affect your right to vote in person, telephonically or via the live webcast should you decide to participate in the Annual Meeting. If you do participate in person, telephonically or via the live webcast and vote your shares at the Annual Meeting, after having voted by any of the methods described above, only your last vote will be counted.

*Voting by Proxy for Shares Held In Street Name.* If you are the beneficial owner of shares held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to instruct how your shares are to be voted at the Annual Meeting.

### **How Will the Board Vote My Proxy?**

If you grant us your proxy to vote your shares (whether by phone, the Internet or completing, signing and returning your proxy card by mail), and you do not revoke that proxy prior to the Annual Meeting, your shares will be voted as directed by you. If you do not provide any specific direction as to how your shares should be voted, your shares will be voted: **“FOR”** all director nominees (Proposal No. 1); **“FOR”** approval of a non-binding advisory vote on the compensation of the Company's named executive officers (Proposal No. 2) and **“FOR”** ratification of the appointment of Crowe LLP as the Company's independent auditor for the fiscal year ending December 31, 2023 (Proposal No. 3).

If any other matter should be properly presented at the Annual Meeting or any postponements or adjournments thereof upon which a vote may be taken, the shares represented by your proxy will be voted in accordance with the judgment of the holders of the proxy. However, if your shares are held in a brokerage account, please read the information below under the caption *“How Are Voting Shares Held by Brokers, Banks and Other Nominees Handled?”* regarding how your shares may be voted.

### **What Is the Difference between a Shareholder of Record and a Beneficial Owner of Shares Held in “Street Name”?**

*Shareholder of Record.* If your shares are registered directly in your name with our transfer agent, you are considered a shareholder of record with respect to those shares, and the Notice was sent directly to you by the Company. If you requested printed copies of the proxy materials by mail, you will also receive a proxy card.

*Beneficial Owner of Shares Held in Street Name.* If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are a beneficial owner of shares held in “street name”, and the Notice was forwarded to you by that organization. The organization holding your account is considered the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct that organization how to vote the shares held in your account.

### **How Do I Get More Information about the Company?**

The Notice provides Internet instructions on how to access and review the proxy materials, including our Annual Report on Form 10-K for the fiscal year ended December 31, 2022 (“Annual Report”) that contains our consolidated financial statements. Our Annual Report includes a list of exhibits filed with the Securities and Exchange Commission (“SEC”), either as part of the Annual Report or as part of other filings made with the SEC.

If you wish to receive copies of our Annual Report or other filings made with the SEC, please visit [www.sec.gov](http://www.sec.gov), or visit the Company's website at <https://ir.rbbusa.com/financial-information/sec-filings>, or write to the following address: Investor Relations, RBB Bancorp, 1055 Wilshire Blvd., 12<sup>th</sup> floor, Los Angeles, CA 90017. You may also send your request by e-mail to: [investorrelations@rbbusa.com](mailto:investorrelations@rbbusa.com).

The Company's Annual Report is included with the proxy materials.

### **How Are Voting Shares Held by Brokers, Banks and Other Nominees Handled?**

We ask brokers, banks and other nominee holders to obtain voting instructions from the beneficial owners of our common stock. Proxies that are returned to us by brokers, banks or other nominee holders on your behalf will count toward a quorum and will be voted in accordance with the voting instructions you have sent to your broker, bank or other nominee holder. If, however, you want to vote your shares in person at the Annual Meeting, you will need to obtain a legal proxy or broker's proxy card from your broker, bank or other nominee holder and bring it with you to the Annual Meeting. If you fail to provide voting instructions to, or you participate in the Annual Meeting and do not obtain a legal proxy or broker's proxy from your broker, bank or other nominee, your shares will not be voted, except as provided below with respect to certain “routine” matters.

Under rules applicable to securities brokerage firms, a broker who holds shares in “street name” for a customer may generally vote your shares in its discretion on “routine” proposals, but does not have the authority to vote those shares on any “non-routine” proposal, except in accordance with voting instructions received from the customer. Proposal No. 1 (election of directors) and Proposal No. 2 (advisory vote on the compensation of our named executive officers) are considered “non-routine.” Therefore, if you hold your shares in street name and want your shares to be voted on these proposals, you must give voting instructions to your broker. Proposal No. 3 (ratification of the appointment of the independent registered accounting firm) is considered routine and may be voted upon by your broker even if you do not provide instructions to your broker. If you do not submit voting instructions to your broker and your broker exercises discretion to vote your shares on Proposal No. 3, your shares will be treated as “broker non-votes” on each of the other proposals at the Annual Meeting.

### What Is the Vote Required for a Quorum and to Approve the Proposals?

**Quorum Requirement.** Our Bylaws require that a quorum - that is, the holders of a majority of all of the shares of our common stock entitled to vote at the Annual Meeting - be present at the Annual Meeting, in person or by proxy, before any business may be transacted at the Annual Meeting (other than adjourning the Annual Meeting to a later date to allow time to obtain additional proxies to satisfy the quorum requirement). Abstentions and broker non-votes will be counted as present for this purpose. If the shares represented at the Annual Meeting are not sufficient to transact business, we may adjourn or postpone the meeting to permit the further solicitation of proxies.

**Proposal No. 1 - Election of Directors.** A plurality of the votes cast is required for the election of directors. This means that the ten (10) nominees for election to the Board who receive the highest number of votes entitled to be cast will be elected. As a result, any shares voted “Withhold” and broker non-votes will not be counted in determining the outcome of the election. However, shares voted “Withhold” and broker non-votes are considered present at the meeting for purposes of determining whether a quorum is present.

**Proposal No. 2 - Advisory Vote on the Compensation of the Company's Named Executive Officers.** The affirmative vote of a majority of the shares present in person or represented by proxy and voting at the Annual Meeting is required to approve, on a non-binding advisory basis, the 2022 compensation of the Company's named executive officers, which is described in this Proxy Statement, provided that such shares also constitute at least a majority of the required quorum. Abstentions and “broker non-votes” are not counted in determining whether the affirmative vote constitutes a majority of the shares present or represented and voting at the Annual Meeting but could affect whether this proposal is approved because they do not count as affirmative votes in determining whether the shares voting affirmatively on the proposal constitute at least a majority of the required quorum.

**Proposal No. 3 - Ratification of the appointment of Crowe LLP as the Company's Independent Auditor for the Fiscal Year Ending December 31, 2023.** The affirmative vote of a majority of the shares present or represented by proxy and voting at the Annual Meeting is required to ratify the appointment of Crowe LLP as the Company's independent auditor for the fiscal year ending December 31, 2023, provided that such shares also constitute at least a majority of the required quorum. Abstentions are not counted in determining whether the affirmative vote constitutes a majority of the shares present or represented and voting at the Annual Meeting but could affect whether this proposal is approved because they do not count as affirmative votes in determining whether the shares voting affirmatively on the proposal constitute at least a majority of the required quorum.

### How Do I Vote My Shares?

If you are a shareholder of record, there are six ways to vote:

- **In person.** You may vote in person at the Annual Meeting. You must bring valid picture identification and may be requested to provide proof of stock ownership as of the Record Date.
- **Telephonically or Via Live Webcast During the Annual Meeting.** You may vote (1) telephonically by calling Catherine Wei at 714-676-2425 anytime in advance of the Annual Meeting, to obtain the Annual Meeting phone number and access code, or (2) by accessing the following website: <https://attendee.gotowebinar.com/register/6200857883757085024> and using the proxy control number on your proxy card as the access code, and participating live in the webcast, during the Annual Meeting.
- **By Phone.** You may vote by transmitting your voting instructions through touch-tone telephone to 1-800-690-6903.
- **By Internet.** You may vote on the Internet by accessing the website address and following the instructions printed on your proxy card.
- **By Mail.** You may vote by your proxy by filling out the proxy card and returning it in the enclosed postage-prepaid envelope.

If you vote by phone or Internet by 11:59 p.m., Eastern Time, on Thursday, June 8, 2023, or properly complete and mail the proxy card and we receive it prior to the Annual Meeting, your shares will be voted as you direct. Even if you plan to participate in the Annual Meeting in person, telephonically or via live webcast, we encourage you to cast your vote by phone or Internet, or if you prefer, by completing, signing, dating, and returning the proxy card by mail.

If you are a beneficial owner, you have the right to direct the organization holding your shares on how to vote the shares held in your account. If you wish to vote in person at the meeting, you must obtain a valid proxy from the organization holding the shares giving you the right to vote at the meeting. If you hold your shares in a brokerage account and do not give voting instructions to your broker on proposals that are considered “non-routine,” your broker cannot vote them for you and your shares will be treated as broker non-votes. At the Annual Meeting, Proposal No. 3 (Ratification of the Appointment of Independent Auditor) involves matters that are considered “routine,” while Proposal No. 1 (Election of Directors), and Proposal No. 2 (Advisory Vote on Executive Compensation) involve matters that are considered “non-routine.” Therefore, it is important that you provide voting instructions for all proposals.

### **What If I Do Not Vote for Some of the Items Listed in This Proxy Statement?**

If you are a shareholder of record and return your signed proxy card, or submitted your proxy card over the Internet or by phone, the proxy holders will vote your shares, with respect to the items without specific voting instructions, according to the recommendations of the Board. The Board has designated David R. Morris and Dr. James W. Kao, and each of them individually, with power of substitution as proxy holders.

### **How You Can Revoke Your Proxy or Voting Instructions and Change Your Vote?**

If you are the record owner of your shares, you may revoke any proxy you may have submitted over the Internet or by phone or any proxy you may have returned by mail, at any time before your proxy has been voted, by taking one of the following actions:

- Participating in the Annual Meeting in person, telephonically or via the live webcast;
- Completing, signing and submitting a signed proxy card bearing a later date than the date of your earlier vote or proxy; or
- Sending a written revocation of your proxy to the Company's Corporate Secretary at 1055 Wilshire Blvd., 12<sup>th</sup> floor, Los Angeles, CA 90017. To be effective, the notice of revocation must be received by the Company before the Annual Meeting commences. If, after revoking your proxy in this manner, you want to vote your shares, you may do so only by one of the methods set forth above, and **not** over the Internet or by phone.

However, if your shares are held by a broker, bank or other nominee holder, you will need to contact your broker, bank or the nominee holder if you wish to change or revoke any voting instructions that you previously gave to your broker, bank or other nominee holder.

### **How Can a Proxy Be Revoked?**

A form of proxy for voting your shares at the Annual Meeting is enclosed. Any shareholder who executes and delivers a proxy has the right to revoke it at any time before it is voted by filing with the Corporate Secretary of the Company an instrument revoking it or a duly executed proxy bearing a later date. In addition, the powers of the proxy holders will be revoked if the person executing the proxy participates in the Annual Meeting in person, telephonically or via the live webcast, and advises the Chairman of his or her election to vote in person. Shares represented by a properly executed proxy received prior to the Annual Meeting will be voted in accordance with the shareholder's specifications, as noted on the proxy, or if not otherwise specified, and unless revoked, such shares will be voted in favor of election of the nominees specified herein and in favor of the other proposals specified herein.

The proxy also confers discretionary authority to vote the shares represented thereby on any matter that was not known at the time this Proxy Statement was mailed which may properly be presented for action at the Annual Meeting and may include: action with respect to procedural matters pertaining to the conduct of the Annual Meeting; and election of any person to any office for which a bona fide nominee is named herein if such nominee is unable to serve or for good cause will not serve.

### **How Does the Board Recommend that I Vote?**

The Board unanimously recommends that you vote your shares as follows:

## Corporate Governance and Board Matters

The Board of Directors is committed to good business practices, transparency in financial reporting and the highest level of corporate governance. To that end, the Board continually reviews its governance policies and practices, as well as the requirements of the Sarbanes-Oxley Act of 2002 and the listing standards of the Nasdaq Stock Market, to help ensure that such policies and practices are compliant and up to date.

**Director Qualifications.** We believe that our directors should have the highest professional and personal ethics and values. They should have broad experience at the policy-making level in business, government or banking. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on boards of other companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all shareholders. When considering potential director candidates, our Board of Directors also considers the candidate's character, judgment, diversity, skill sets, specific business background and global or international experience in the context of our needs and those of the Board of Directors.

**Director Independence.** Our common stock is listed on The Nasdaq Global Select Market and, as a result, we are required to comply with the rules of the Nasdaq Stock Market with respect to the independence of directors who serve on our Board of Directors and its committees. Under the rules of the Nasdaq Stock Market, independent directors must comprise a majority of our Board of Directors. The rules of the Nasdaq Stock Market, as well as those of the SEC, also impose several other requirements with respect to the independence of our directors. Our Board of Directors has evaluated the independence of its members based upon the rules of the Nasdaq Stock Market and the SEC. Applying these standards, our Board of Directors has affirmatively determined that, with the exception of David R. Morris, our President and Chief Executive Officer ("CEO"), each of our other eleven (11) current directors and two (2) director nominees qualify as an independent director, as defined under the applicable rules.

Our Board has approved stricter independence standards for members of our Audit Committee and Nominating and Governance Committee (formerly known as our Compensation, Nominating and Governance Committee), as reflected in the charters for those committees. It was determined in March 2022 that Messrs. Peter Chang and Christopher Koo did not satisfy these stricter standards because they were involved in certain undisclosed business ventures with Mr. Simon Pang, the Company's former Executive Vice President and Chief Strategy Officer. As such, Messrs. Chang and Koo resigned from these committees in March 2022 and Mr. Pang resigned from the Company in December 2022. The business venture involved did not have a business relationship with the Company. Subsequently, through its internal investigation, it was determined by the Board's Nominating and Governance Committee that Mr. Chang did not satisfy the general director independence standards established by both the Nasdaq Stock Market and the Company's applicable corporate governance charters, policies and procedures relating to Board service as a result of the business dealings between Mr. Chang and entities associated with him, on the one hand, and Mr. Pang and his family members, and entities associated with them, on the other hand. Mr. Chang resigned from the Board in October 2022.

In addition, the Board amended its Corporate Governance Guidelines to, among other things, adopt an enhanced director independence standard pursuant to which a director will be deemed to not be independent if there have been any payments or other exchanges of value between such director and any executive officer during the preceding two years, other than in connection with gifts made in accordance with the Company's gift policy. As a result of this change, the Board determined that Mr. Koo would not be considered independent until the Spring of 2023 as a result of business dealings with Mr. Pang during 2021, which were determined by the Board to be insignificant.

**Enhancement of Corporate Governance Policies and Standards.** In addition to the enhanced director independence standards referenced above, during 2022, as part of its review of the Company's governance structures and policies, the Board has determined that it would be appropriate to have an independent, non-executive Board Chair. The Board also has reviewed and, where necessary or appropriate, approved updates to Board committee charters and will continue to do so no less frequently than annually. In addition, the Board updated the Company's Code of Ethics to require enhanced reporting and Board oversight of, among other things, potential or actual conflicts of interest, gifts and political contributions.

**Director Nominations; Procedure to be Followed by Shareholders.** The Nominating and Governance Committee is responsible for the process relating to director nominations, including identifying, reviewing and selecting individuals who may be nominated for election to the Board. Pursuant to its charter, the Nominating and Governance Committee considers various criteria in its identification, review and selection of potential director nominees, including, but not limited to, integrity and ethical values, experience, reputation, knowledge of Company affairs, business understanding, time commitment and availability and financial commitment. The Nominating and Governance Committee seeks to achieve a well-rounded, diverse, knowledgeable and experienced Board. The Nominating and Governance Committee considers nominees to serve as directors of the Company and recommends such persons to the Board as well as director candidates recommended by shareholders pursuant to the guidelines set forth as an appendix to the Nominating and Governance Committee charter.

Shareholders who wish to recommend candidates may contact the Nominating and Governance Committee in the manner described below under “Communications with the Board of Directors and Committees.” All candidates are required to meet the criteria outlined above, as well as the director independence and other standards as determined by the Nominating and Governance Committee in its sole discretion. Shareholder nominations must be made according to the procedures required under our Bylaws and described in this Proxy Statement under the heading “Additional Information — How and when may I submit a shareholder proposal for the 2024 Annual Meeting?”

The Nominating and Governance Committee strives to evaluate all prospective nominees to the Board of Directors in the same manner and in accordance with the same procedures, without regard to whether the prospective nominee is recommended by a shareholder, the Nominating and Governance Committee, another Board member or members of management. However, the Nominating and Governance Committee may request additional steps in connection with the evaluation of candidates submitted by shareholders due to the potential that the existing directors and members of management will not be as familiar with the proposed candidate as compared to candidates recommended by existing directors or members of management. The Nominating and Governance Committee will conduct the same analysis that it conducts with respect to its director nominees for any director nominations properly submitted by a shareholder and, as a result of that process, will decide whether to recommend a candidate for consideration by the full Board of Directors.

**Board Leadership Structure.** Although our Board of Directors does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, our Board of Directors endorses the view that one of its primary functions is to protect shareholders’ interests by providing independent oversight of management, including the chief executive officer. Following our 2021 annual meeting of shareholders, our Board appointed Dr. James W. Kao as the independent Chairman of the Board. Dr. Kao’s primary duties are to lead our Board of Directors in establishing our overall vision and strategic plan and to lead our management in carrying out that plan.

To further strengthen the oversight of the full Board of Directors our independent directors periodically hold executive sessions at which only independent directors are present. The executive sessions are scheduled in connection with regularly scheduled Board meetings at least twice a year. The executive sessions are presided over by an independent director selected by our Board of Directors. Dr. James W. Kao currently serves in this role.

**Code of Ethics.** Our Board of Directors has adopted a Code of Ethics that applies to all of our directors and employees. The code provides fundamental ethical principles to which these individuals are expected to adhere to and will operate as a tool to help our directors, officers and employees understand the high ethical standards required for employment by, or association with, our Company. Our Code of Ethics is available on our website at [www.royalbusinessbankusa.com](http://www.royalbusinessbankusa.com) under the “Investor Relations” tab. Any amendments to the code, or any waivers of its requirements, are disclosed on our website, as well as any other means required by Nasdaq Stock Market rules. See “Enhancement of Corporate Governance Policies and Standards” for a discussion of certain revisions made in 2022 to the Code of Ethics.

**Insider Trading Policy.** Our Board of Directors has adopted an Insider Trading Policy that applies to all of our directors and employees. The Insider Trading Policy attempts to establish standards that will avoid even the appearance of improper conduct on the part of insiders. Our Insider Trading Policy is available on our website at [www.royalbusinessbankusa.com](http://www.royalbusinessbankusa.com) under the “Investor Relations” tab.

**Whistleblower Policy.** Our Board of Directors has adopted a Whistleblower Policy for our directors and employees. The policy provides procedures that encourage all employees to bring forth any information that will prevent fraud, abuse, misconduct, and other violations of the Company’s policies. Our Whistleblower Policy is available on our website at [www.royalbusinessbankusa.com](http://www.royalbusinessbankusa.com) under the “Investor Relations” tab. Any shareholder may contact the Board of Directors via the telephone number, website address and email address to the Company’s Whistleblower hotline at 866/296-8657, <http://www.openboard.info/RBB/> and [RBB@openboard.info](mailto:RBB@openboard.info).

**Compensation Committee Interlocks and Insider Participation.** Christina Kao, Wendell Chen, Christopher Lin, and Richard Lin served as members of our Compensation Committee in 2022. In 2022, we revised our committee structure and created a standalone Compensation Committee. No member of the Compensation Committee is or has been one of our officers or employees. In addition, none of our executive officers serves or has served as a member of the compensation committee or other board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our directors or on our Compensation Committee.

**Risk Management and Oversight.** Our Board of Directors oversees our risk management process, which is a company-wide approach to risk management that is carried out by our management. Our full Board of Directors determines the appropriate risks for us generally, assesses the specific risks faced by us, and reviews the steps taken by management to manage those risks. While our full Board of Directors maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk within their particular area of concern. In particular, our Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements, and the incentives created by the compensation awards it administers. Our Nominating and Governance Committee is responsible for overseeing the management of risk associated with our corporate governance structure and director nomination and evaluation processes.

Our Audit Committee is responsible for overseeing the management of risks associated with related party transactions. Our Directors Loan Committee is primarily responsible for credit and other risks arising in connection with our lending activities, which includes overseeing management committees that also address these risks. Our Asset/Liability Committee monitors our interest rate risk, with the goal of structuring our asset-liability composition to maximize net interest income while minimizing the adverse impact of changes in interest rates on net interest income and capital. Our Board of Directors monitors capital adequacy in relation to risk. Pursuant to our Board of Directors' instruction, management regularly reports on applicable risks to the relevant committee or the full Board, as appropriate, with additional review or reporting on risks conducted as needed or as requested by our Board of Directors and its committees.

All directors attended at least 99.7% of all Board and their respective committee meetings in 2022, and all directors attended our 2022 Annual Meeting of Shareholders.

### **Climate-Related Discussion**

The SEC recently proposed a rule that would require companies to disclose a broad array of climate-related exposures, including a firm's carbon emissions across its value chain. The disclosures would require the firm's big picture climate risks as well as wholesale calculation of the Company's environmental impact and greenhouse gas ("GHG") emissions. Publicly traded companies would also be required to explain their governance procedures around climate risk, including processes for identifying, assessing, and managing climate-related risks.

The Company has begun the measurement process to help establish a GHG baseline which is an important first step towards measuring annual progress, making meaningful reductions in emissions and setting future targets.

On GHG emissions, the disclosures would include a firm's direct emissions, indirect emissions in the form of purchased energy, and emissions from "upstream and downstream activities in a registrant's value chain" — otherwise known as Scope 1, Scope 2, and Scope 3 emissions, respectively.

As a financial institution, the Company has minimal Scope 1 direct GHG emissions. Scope 1 GHG emissions result from six leased automobiles used by company executives, and two company owned vehicles used in our operations. The automobiles are recent models that are compliant with state emissions regulations. Scope 2 emissions result from 21 leased office properties, six owned office properties, and 2 OREO properties. Company leased or owned properties have indirect GHG emissions from acquired electricity, steam heat or cooling. Scope 3 emissions result from goods and services purchased from vendors, business travel and employee commuting. We have implemented a work-from-home program and currently have 10% of our staff participating. The Company encourages employees to commute via public transportation by subsidizing transit passes. Where feasible, the Company utilizes LED- or fluorescent-lighting to reduce electricity usage.

The SEC is proposing that Scope 1 and Scope 2 disclosures be made for accelerated filers reporting fiscal year 2024 results, and Scope 3 disclosures for fiscal year 2025 results.

We are committed to overseeing the Company's environmental efforts. The Company considers environmental matters throughout the organization. The Company's environmental initiatives are currently focused on reducing the Company's environmental impact through supporting employees' use of mass transit where possible, recycling efforts, and supporting organizations in the communities the Company serves that address sustainable development goals.

**Executive Summary**

**Our Company at a Glance**

The Company, with total assets of \$3.9 billion as of December 31, 2022, is the bank holding company of the Bank and RBB Asset Management Company (“RAM”). The Bank began operations in 2008 as a California state-chartered commercial bank. The Bank was organized by a group of very experienced bankers, some of whom began their banking careers in Asia and have worked together at various banks in California. We focus both on existing businesses and individuals already established in our local market area. Our size and infrastructure allow us to serve customers that require higher lending limits than normally associated with other smaller, local banking institutions that serve the Asian-American communities in which we operate. Our strategic plan is centered on delivering high-touch, superior customer service, customized solutions, and quick and local decision-making with respect to loan originations and servicing.

The Bank is a full-service commercial bank that currently operates 24 branches, which provides business banking services to the Asian-American communities in Los Angeles County, Orange County, and Ventura County in California, in Las Vegas, Nevada, in Brooklyn, Queens, and Manhattan in New York, in Edison, New Jersey, in the Chicago neighborhoods of Chinatown and Bridgeport, Illinois, and in Oahu, Hawaii.

## Leadership Transitions

As disclosed in early 2022, Mr. Thian resigned from his role as President and Chief Executive Officer of both the Company and the Bank. At that time, the Company's and the Bank's Boards of Directors appointed David R. Morris as Interim President and Chief Executive Officer. Mr. Morris also continued in his role as Chief Financial Officer during this transition period. Then, after an extensive search process, the Company's and the Bank's Boards of Directors appointed David R. Morris to President and Chief Executive Officer of both the Company and the Bank, effective October 24, 2022. Mr. Morris also joined the Company's and the Bank's Board of Directors and continued in his role as Chief Financial Officer through February 28, 2023.

The employment agreement provides that if Mr. Ko is terminated without cause, Mr. Ko will be entitled to receive a severance payment in the amount of six (6) months of his then current salary. Following a change of control, if Mr. Ko's employment is terminated by us or our successor, without cause, or Mr. Ko's employment is materially adversely altered, Mr. Ko will be entitled to receive a severance payment in the amount of twelve (12) months of his then current salary. In 2023, in connection with the appointment of Alex Ko as Executive Vice President and Chief Financial Officer of the Company and the Bank, effective March 1, 2023, the Compensation Committee granted Mr. Ko 30,000 stock options on March 1, 2023 at an exercise price of \$19.87. These stock options vest ratably over a five year term.

These stock options vest ratably over a five year term.

## Board Responsiveness to 2022 Say-on-Pay and Shareholder Feedback

The result of our non-binding advisory vote to approve our executive compensation ("say-on-pay") at the 2022 annual meeting of shareholders yielded approximately 51% support for our executive compensation program. Our Compensation Committee values feedback from our shareholders and given this low level of support, the Compensation Committee has been highly focused on better understanding the concerns and perspectives of our shareholders and their voting decisions.

We regularly meet with our shareholders to discuss business topics, seek feedback on our performance, and address other matters, such as executive compensation. We attend all of our market makers investor conferences to meet with institutional investors and we meet with local investors at least annually and through investor functions.

Through these exchanges, we gained greater appreciation for our shareholders' views on compensation philosophies, annual and long-term incentive designs, performance metrics and governance. We reviewed the feedback with senior management, the Compensation Committee, and the entire Board. As part of this process, the Compensation Committee also retained Pearl Meyer, a leading independent compensation consulting firm, to gain further insight on current pay practices to ensure that our approach going forward effectively balances competitive market practices, stockholder expectations, best-practice governance standards and our business strategy.

**What We Heard and What We Did.** As a result of our outreach efforts, the Compensation Committee made the following changes to the program that more closely align with market best practices and shareholder feedback:

### What We Heard

Shareholders would like clearer parameters around annual incentives

Shareholders would like to see more "good governance" practices

Shareholders sought more clarity in our executive compensation program disclosure

Shareholders would like directors to have specific banking background

### What We Did

Implemented a new, formulaic annual incentive plan that includes target award opportunities for each NEO, and actual award payouts (75% in cash, 25% in RSUs) based on the achievement of pre-determined performance metrics and goals (scorecards). See "Annual Incentives" under "2022 Executive Compensation Decisions in Detail" in this CD&A for details.

Adopted risk-mitigating policies to strengthen our compensation governance including a clawback provision. Adopted new corporate governance guidelines and reviewed and revised our Code of Ethics, Board committee charters, and all governance policies. See "Compensation Governance Practices" below and "Other Compensation Policies, Practices, and Guidelines" in this CD&A for more information.

Provided enhanced transparency about our program in this CD&A, including more details around our executive compensation philosophy, overall program structure, incentive plan goals and results, and our good governance practices

We appointed two (2) directors in April 2023 and with specific banking backgrounds and have nominated two (2) additional directors with specific banking backgrounds.

As the Company’s executive compensation program continues to evolve, we will continue our shareholder engagement efforts and facilitate open and ongoing dialogues with key stakeholders to help ensure that we have a regular pulse on investor perspectives. In the future, we will also continue to consider the feedback we receive from our major shareholders as well as the outcome of say-on-pay votes when making compensation decisions regarding our NEOs.

**Compensation Governance Practices**

Our executive compensation program includes the following practices and policies, which promote sound compensation governance and are in the best interests of our shareholders:

<u>What We Do</u>	<u>What We Don't Do</u>
<ul style="list-style-type: none"> <li>✓ Emphasize variable pay over fixed pay, with a significant portion tied to our financial results</li> <li>✓ Maintain a clawback policy</li> <li>✓ Maintain anti-hedging and anti-pledging policies</li> <li>✓ Use an independent compensation consultant</li> <li>✓ Conduct an annual say-on-pay vote</li> <li>✓ Conduct an annual compensation risk assessment</li> </ul>	<ul style="list-style-type: none"> <li>× No tax gross ups</li> <li>× No guaranteed bonuses</li> <li>× No Supplemental Executive Retirement Plans</li> <li>× No excessive perquisites</li> <li>× No repricing of options without stockholder approval</li> <li>× No “single trigger” change-in-control payments</li> </ul>

As the Bank’s executive compensation program continues to evolve, we will continue our shareholder engagement efforts and facilitate open and ongoing dialogues with key stakeholders to help ensure that we have a regular pulse on investor perspectives. In the future, we will also continue to consider the feedback we receive from our major shareholders as well as the outcome of say-on-pay votes when making compensation decisions regarding our NEOs.

**What Guides Our Program**

**Compensation Philosophy**

Our executive compensation philosophy is to forge critical connections between performance, long-term value creation, employee engagement and retention, compensation governance and our cultural values. To that end, our executive compensation program is grounded in the following principles:

<b>Pay for Performance</b>	A significant portion of an executive’s total compensation should be variable and dependent upon the attainment of specific and measurable performance goals.
<b>Shareholder Alignment</b>	Executives should be compensated through pay elements designed to create long-term value for our shareholders, as well as foster a culture of ownership.
<b>Attraction and Retention</b>	The executive compensation program should enable the Company to attract highly talented people with exceptional leadership capabilities and retain high-caliber talent.

**Elements of Compensation.**

We compensate our NEOs primarily through a combination of base salary and annual incentives, using a mix of fixed and variable pay, with an emphasis on variable pay. The program is structured to create a meaningful balance between achieving strong short-term annual results while ensuring long-term viability and success. Therefore, the mix of incentives is reviewed and determined regularly by the Compensation Committee based on the short- and long-term objectives of the business

Our Compensation Committee believes the executive compensation packages that we provide to our executives, including the NEOs, should include both cash and equity compensation that reward performance as measured against established corporate goals. Each element of compensation is designed to achieve a specific purpose and to contribute to a total package that is competitive with similar packages provided by other institutions that compete for the services of individuals like our NEOs.

<b>Pay Element</b>	<b>How Its Paid</b>	<b>Purpose</b>
Base Salary	Cash (Fixed)	Reflects each NEO’s position, experience, individual performance, and expertise. Salary levels are set with the intention to attract, retain, motivate, and reward quality executives in the competitive banking marketplace.
Performance-Based Annual Incentives	Cash and Equity (Variable)	Focuses NEOs on achieving short-term financial and strategic goals that drive long-term shareholder value, and also support our leadership talent retention goals. To accomplish these goals, the Executive and Employee Bonus Policy provides for awards using a mix of cash and equity: 75% of the award earned is paid in cash and 25% of the award earned is delivered in RSUs, which vest in three equal installments from the anniversary of the date of the grant.

The Compensation Committee also has the ability to grant other types of equity awards, on a periodic basis and under certain circumstances, such as new-hire and promotional grants (issued pursuant to our Amended and Restated 2017 Omnibus Stock Incentive Plan (the “2017 Plan” or “OSIP”). The Compensation Committee approved an equity award to Alan Thian, our former President and Chief Executive Officer, of 14,037 RSUs and Mr. Thian also received 1,000 shares of restricted stock as a member of the Board of Directors on January 19, 2022. The Compensation Committee did not grant any additional equity incentive awards, other than the awards issued under the Executive and Employee Bonus Policy previously mentioned, to any of the NEOs in 2022

## Decision-Making Process

**Role of the Compensation Committee.** Our Compensation Committee is a standing committee appointed by our Board of Directors to oversee our compensation and employee benefit plans and practices, including our executive compensation plans and our incentive- compensation and equity-based plans. The Compensation Committee is comprised of independent, non-employee members of the Board. The Compensation Committee works closely with its independent consultant and management to examine the effectiveness of the Company’s executive compensation program throughout the year. Details of the Compensation Committee’s authority and responsibilities are specified in the Compensation Committee’s charter, which is available on our website at [www.royalbusinessbankusa.com](http://www.royalbusinessbankusa.com) under the “Investor Relations” tab. The Compensation Committee makes all final compensation and equity award decisions regarding our NEOs, except for the CEO, whose compensation is determined by the independent members of the full Board, based upon recommendations of the Compensation Committee. Please also see additional discussion on our Compensation Committee set forth above under “*Corporate Governance and Other Board Matters – Compensation Committee.*”

**Role of Management.** The President and CEO attends regular meetings where executive compensation, Company and individual performance, and competitive compensation levels and practices are discussed and evaluated. Only the Compensation Committee members can vote on decisions regarding NEO compensation. The CEO reviews the Compensation Committee’s recommendations pertaining to other executives (non-NEO) pay with the Compensation Committee providing transparency and oversight. Decisions on non-NEO pay are made by the CEO. The CEO does not participate in the deliberations of the Compensation Committee regarding his own compensation. Independent members of the Board make all final determinations regarding CEO compensation.

**Role of the Compensation Consultant.** From time to time, our Compensation Committee seeks advice from outside experts in the executive compensation field to provide input on both director compensation and executive compensation issues. In 2022, the Compensation Committee engaged Pearl Meyer for general assistance in executive compensation matters. In accordance with the rules of the Nasdaq Stock Market, the Compensation Committee took appropriate actions to consider the independence of Pearl Meyer.

**The Role of Benchmarking and Peer Groups.** For 2022, the Compensation Committee compared our executive compensation program to a group of companies that are comparable in terms of industry, size and geography. The overall purpose of this peer group is to provide a market frame of reference for evaluating our compensation arrangements (current or proposed) and performance results, understanding compensation trends among comparable companies, and reviewing other compensation and governance-related topics that may arise during the year to ensure that the features of the Company’s executive compensation program are appropriately aligned with market-best practices. The 2022 and current peer group is as follows:

Amalgamated Financial Corp.	Heritage Commerce Bank
Banc of California, Inc.	Heritage Financial Corporation
Bank of Marin Bancorp	HomeStreet, Inc.
BCB Bancorp, Inc.	Luther Burbank Corporation
Central Pacific Financial Corp.	Metropolitan Bank Holding Corp.
First Foundation, Inc.	Peapack-Gladstone Financial Corporation
Flushing Financial Corporation	Preferred Bank
Hanmi Financial Corporation	The First Bank of Long Island Corporation

In developing the peer group, the Compensation Committee selected companies that were, on balance, of similar size and scope as the Company (assets between \$2 billion and \$8 billion, and market capitalization between \$200 million and \$1.1 billion as compared to the Company’s then current assets and market capitalization of \$3.7 billion and \$474 million, respectively), operate in similar geographic areas, and compete with the Company for business and talent. It is important to note that the Compensation Committee does not rely exclusively on comparative data from the peer group when setting compensation for our NEOs. While peer group information can help identify general trends in executive compensation practices and overall executive compensation, the Compensation Committee recognizes there can be meaningful differences between the Company and its peer group members. In addition to peer group data, the Compensation Committee also reviews compensation information from direct market share competitors and considers many other factors such as individual and company performance, position and associated responsibilities, retention and stability of the executive management team, tenure, and succession considerations.

The Compensation Committee subsequently retained Pearl Meyer in 2022 to review the compensation of the Company’s current Named Executive Officers against the peer group and survey information of similarly sized financial institutions. Pearl Meyer concluded that, in aggregate, the Company’s targeted Total Direct Compensation (salary, annual incentives and long-term incentives) for the Named Executives Officers was below the market median. The Chief Executive Officer’s targeted Total Direct Compensation was also below the market median.

## 2022 EXECUTIVE COMPENSATION DECISIONS IN DETAIL

### Base Salary

Base salary represents annual fixed compensation and is a standard element of compensation necessary to attract and retain executive leadership talent. The Compensation Committee reviews and approves base salaries of our NEOs and establishes the compensation of our CEO. In approving the base salary of each NEO, the Compensation Committee considers the CEO’s recommendations, as well as each NEO’s position and level of responsibility within the Company. The Compensation Committee also considers factors such as competitive market data as well as individual performance, experience, tenure, internal equity, and employee potential.

In January 2022, the Compensation Committee approved increases to base salaries to recognize and reflect changes in roles and responsibilities, including Mr. Morris' promotion to President, Chief Executive Officer and Chief Financial Officer and Mr. Huang's promotion to Executive Vice President and Branch Administrator/Director of Prestige Banking, as well as to better align the NEOs' salaries with the market median. The former Chief Executive Officer's base salary was unchanged from 2021 to 2022.

NEO	2021 Salary	2022 Salary	% Change
David R. Morris	\$362,000	\$626,000	72.93%
Vincent Liu	\$320,000	\$344,000	7.50%
Jeffrey Yeh	\$275,000	\$310,800	13.01%
Tsu Te Huang	\$201,000	\$257,000	22.38%
Alan Thian (1)	\$1,080,000	\$1,080,000	—%

(1) Effective April 8, 2022, Mr. Thian resigned from his positions as President and Chief Executive Officer of the Company and the Bank.

#### Annual Incentives

The Executive and Employee Bonus Policy provided our NEOs the opportunity to earn a performance-based annual bonus, 75% of which is paid in cash and 25% of which is paid in RSUs that vest in three equal installments on each anniversary of the grant date. Actual payouts depend on the achievement of pre-determined financial performance objectives and for the CEO can range from 0% to 150% of target award amounts, and for the other NEOs can range between 0% to 154%. Annual cash incentives reward both the achievement of short-term financial goals, as well as the execution of activities to advance our strategic priorities. Target annual bonus opportunities are expressed as a percentage of base salary and were established by the NEO's level of responsibility and their ability to impact overall results. The Compensation Committee also considers market data in setting target award amounts. Target award opportunities for 2022 were as follows:

NEO	2022 Salary	2022 Annual Incentive Target (as a % of Salary)	2022 Annual Incentive Target (\$)
David R. Morris	\$626,000	100%	\$626,000
Vincent Liu	\$344,000	65%	\$223,600
Jeffrey Yeh	\$310,800	65%	\$202,020
Tsu Te Huang	\$257,000	65%	\$167,050
Alan Thian (1)	—	—	—

(1) Mr. Thian was not subject to the 2022 annual incentive targets.

**Performance Goals, Measures, and Scorecard Results.** The financial portion of an NEO's annual incentive award (80% of the overall award) is tied to the achievement of certain financial and/or operational metrics and goals. Each NEO's actual incentive award also depends on individual performance (20% of the overall award), which is assessed in consultation with the CEO and reviewed with the Compensation Committee. Actual awards earned are determined using individual scorecards, of which an overall score is calculated by summing the weighted scores achieved for each of the performance measures. The actual award earned is determined by multiplying the overall score times the executive's target bonus amount. Amounts paid are subject to our Clawback Policy (see page 29 of this Proxy Statement). The Compensation Committee also reserves the right to adjust individual performance downward any award payments proposed for a NEO. The individual performance goals for 2022 were determined in April 2022 to address certain areas that the Board of Directors felt needed improvement or for substantial projects that the NEO may manage. The following chart is a list of the criteria used to determine the individual goals:

Individual Goals (4)	David R. Morris	Vincent Liu	Jeffrey Yeh	Tsu Te Huang
Increasing Employee Morale (1)	X	X	X	X
Retain Core Officers (2)	X			X
Retain Core Deposit Relationships (3)	X	X	X	X

- (1) The Compensation Committee set a goal for management to improve morale. Based on recent Glassdoor surveys and exit interviews, management met this goal.
- (2) The Compensation Committee believed after the departure of Mr. Thian that management needed to retain the current senior and executive management. Except for one senior officer retirement and the retirement of our EVP and Chief Strategy Officer, all senior and executive officers have been retained. Management met this goal.
- (3) After the departure of Mr. Thian, the Compensation Committee set a goal to retain core local customers. Although deposits decreased more than the goal in the performance metrics financial objective listed below, the decrease was primarily due to terminating high risk deposit relationships. Management maintained nearly all of its core customers.
- (4) Mr. Thian was not subject to the 2022 individual goals.

## 2022 Long-Term Equity Incentives

The Compensation Committee has the ability to grant periodic equity awards, such as new-hire and promotional grants issued pursuant to the 2017 Plan. These awards are typically designed to support the Company's stockholder value creation and leadership talent retention goals. These periodic awards may be special inducement equity awards upon hire or upon renegotiation of the employee's contract, or as retention awards after review of the executive's outstanding and unvested equity. The Compensation Committee approved an equity award to Alan Thian, our former President and Chief Executive Officer, of 14,037 RSUs and Mr. Thian also received 1,000 shares of restricted stock as a member of the Board of Directors on January 19, 2022. The Compensation Committee did not grant any additional equity incentive awards, other than the awards issued under the Executive and Employee Bonus Policy, to any of the NEOs in 2022. In December 2022 and March 2023, the Compensation Committee granted options to Messrs. Fan and Ko in connection with their appointments as executive officers. See the section entitled "Leadership Transitions."

## Other Compensation Policies, Practices, and Guidelines

### Clawback Policy

As part of our ongoing efforts to maintain the highest levels of good governance, we have adopted a policy which applies to all individuals who are or were Section 16 executive officers at the time they received certain incentive compensation (including cash bonuses and equity based on financial performance) from the Company. The policy provides that in the event of unsafe and unsound banking practices, defaulted or repurchased loans, violations of the Company's Bylaws, policies or procedures, the Compensation Committee may require that all incentive-based compensation received by the executive officer be reduced by an amount that is not more than 100% of the most recent annual bonus, commission and severance payments.

### Anti-Hedging & Anti-Pledging Policies

Our Insider Trading Policy prohibits our executive officers, directors, employees and major stockholders from pledging or engaging in hedging or similar transactions in our securities, including but not limited to prepaid variable forwards, equity swaps, collars, exchange funds, puts, calls and short sales.

### Benefits and Other Perquisites

The NEOs are eligible to participate in the same benefit plans designed for all of our full-time employees, including health, dental, vision, disability and basic group life insurance coverage. We also provide our employees, including our NEOs, with various retirement benefits. Our retirement plans are designed to assist our employees in planning for retirement and securing appropriate levels of income during retirement. The purpose of our retirement plans is to attract and retain quality employees, including executives, by offering benefit plans similar to those typically offered by our competitors.

**Royal Business Bank 401(k) Profit Sharing Plan.** The Royal Business Bank 401(k) Profit Sharing Plan (the "401(k) Plan"), is designed to provide retirement benefits to all eligible full-time and part-time employees of the Bank and its subsidiaries. The 401(k) Plan provides employees with the opportunity to save for retirement on a tax-favored basis. NEOs, all of whom were eligible during 2022, may elect to participate in the 401(k) Plan on the same basis as all other employees. Employees may defer 1% to 100% of their compensation to the 401(k) Plan up to the applicable IRS limit. We currently match employee contributions on the first 6% of employee compensation (50 cents for each \$1). The Company match is contributed in the form of cash and is invested according to the employee's current investment allocation. No discretionary profit sharing contribution was made to the 401(k) Plan for 2022.

**Bank Owned Life Insurance ("BOLI") Policies.** In 2012, the Bank purchased single premium BOLI policies for certain officers and directors of the Bank to provide additional life insurance benefits to the directors and officers and to use the income from the BOLI policies to offset benefit expenses. Further, the Bank benefits from any future death benefits paid out under these BOLI policies. The Bank entered into split dollar arrangements with all executive and senior officers and directors that were under the age of 70 to pay their beneficiaries a death benefit. The amount of the split dollar arrangement for executive officers was equal to five times the executive's annual salary in 2012, three times the senior officer's annual salary and \$250,000 per director. In January 2017 and June 2021, the Bank purchased additional BOLI policies to increase the benefit to the executive and senior officers to December 31, 2016 salary levels and to add new officers that have joined the Bank since 2012. The directors also received an additional \$150,000 in benefit. If the officer or director retires or is terminated, the split dollar arrangement terminates except in the case of change in control of the Company. The quantitative elements of the split dollar arrangement for our named executive officers are provided in the "--Summary Compensation Table."

**Health and Welfare Benefits.** Our NEOs are eligible to participate in our standard health and welfare benefits program, which offers medical, dental, vision, life, accident, and disability coverage to all of our eligible employees. We do not provide the NEOs with any health and welfare benefits that are not generally available to our other employees, except for Mr. Morris who is entitled to an annual medical examination.

**Perquisites.** We provide our NEOs with certain perquisites that we believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to the NEOs. Based on this periodic review, perquisites are awarded or adjusted on an individual basis. The perquisites received by our NEOs in 2022 included the use of a Bank-owned or leased automobile, housing allowances, club fees and other personal benefits.

### Employment Agreements

We have entered into employment agreements with Messrs. Morris, Liu, and Yeh, which generally describe the position and duties of each of these named executive officers, provide for a specified term of employment, describe base salary, bonus opportunity and other benefits and perquisites to which such NEO is entitled, if any, set forth the duties and obligations of each party in the event of a termination of employment prior to expiration of the employment term and provide us with a measure of protection by obligating these NEO to abide by the terms of restrictive covenants during the terms of their employment and thereafter for a specified period of time.

**Mr. Morris.** Our employment agreement with Mr. David R. Morris, dated as of April 12, 2017, as amended, provides for a term of three years, with an automatic renewal for successive one-year periods unless either party provides written notice of nonrenewal at least three months prior to the extension date. The agreement provides for an annual salary, subject to periodic adjustment by our Board, stock options, discretionary bonus, reimbursement of automobile expenses, expense reimbursement and medical insurance coverage, salary continuation and other benefit plans. If Mr. Morris is terminated without cause, Mr. Morris would receive a severance payment in the amount of twelve (12) months of his then current salary. Following a change of control, if Mr. Morris' employment is terminated by us or our successor, without cause, or Mr. Morris' employment is materially adversely altered, Mr. Morris would receive a severance payment in the amount of eighteen (18) months of his then current salary.

**Mr. Liu.** Our employment agreement with Mr. Vincent Liu, dated as of April 12, 2017, as amended, provides for a term of three years, with an automatic renewal for successive one-year periods unless either party provides written notice of nonrenewal at least three months prior to the extension date. The agreement provides for an annual salary, subject to periodic adjustment by our Board, stock options, discretionary bonus, reimbursement of automobile expenses, expense reimbursement and medical insurance coverage, salary continuation and other benefit plans. If Mr. Liu is terminated without cause, Mr. Liu would receive a severance payment in the amount of twelve (12) months of his then current salary. Following a change of control, if Mr. Liu's employment is terminated by us or our successor, without cause, or Mr. Liu's employment is materially adversely altered, Mr. Liu would receive a severance payment in the amount of twelve (12) months of his then current salary.

**Mr. Yeh.** Our employment agreement with Mr. Jeffrey Yeh, dated as of April 12, 2017, as amended, provides for a term of three years, with an automatic renewal for successive one-year periods unless either party provides written notice of nonrenewal at least three months prior to the extension date. The agreement provides for an annual salary of \$184,788, subject to periodic adjustment by our Board, stock options, discretionary bonus, reimbursement of automobile expenses, expense reimbursement and medical insurance coverage, salary continuation and other benefit plans. If Mr. Yeh is terminated without cause, Mr. Yeh would receive a severance payment in the amount of twelve (12) months of his then current salary. Following a change of control, if Mr. Yeh's employment is terminated by us or our successor, without cause, or Mr. Yeh's employment is materially adversely altered, Mr. Yeh would receive a severance payment in the amount of twelve (12) months of his then current salary.

### **Separation Agreement**

**Mr. Thian.** The Company and Mr. Alan Thian entered into an Executive Separation and Release Agreement (the "Separation Agreement") effective April 8, 2022 (the "Separation Date") pursuant to which Mr. Thian resigned from all roles and positions held with the Company, the Bank and their respective Boards of Directors. Under the terms of the Separation Agreement, Mr. Thian was entitled to receive a separation payment totaling \$540,000, paid semi-monthly over six (6) months, the cost of COBRA continuation coverage for all health plans and programs for twelve (12) months and reimbursement for all reasonable employment related expenses incurred prior to the Separation Date. The Separation Agreement also required Mr. Thian to forfeit any and all shares of restricted stock and RSUs that were not vested as of the Separation Date, of which Mr. Thian had 40,000 shares of unvested restricted stock and 15,037 RSUs and Mr. Thian also agreed to a release of claims, cooperate with a smooth transition, which included assisting with customer retention and cooperating with any investigation in the future. The Company and Mr. Thian agreed to certain confidentiality and non-disparagement provisions.

### **Tax Deductibility of Compensation**

The Compensation Committee annually reviews and considers the deductibility of the compensation paid to our executive officers, which includes each of the NEOs. However, the Compensation Committee believes that its primary responsibility is to provide a compensation program that attracts, retains and rewards the executive talent necessary for our success. Consequently, the Compensation Committee may pay or provide, and has paid or provided, compensation that is not tax deductible or is otherwise limited as to tax deductibility.

### **Risk Assessment of Incentive Compensation**

The Compensation Committee reviewed the Bank's compensation policies and practices for our NEOs, as well as the incentive plans for other employees and determined that our incentive compensation programs are not reasonably likely to have a material adverse effect on the Company. To conduct this review, the Company evaluated its practices and policies including: the balanced mix between pay elements, short and long-term programs, Compensation Committee control over the establishment, review and approval goals, use of multiple performance measures, Compensation Committee discretion on individual awards, and Compensation Committee oversight of compensation programs.

The Compensation Committee also evaluated whether the proposed goals or the structure of the awards might have the inadvertent effect of encouraging excessive risk or other undesirable behavior. The Compensation Committee believes that its risk management framework supports risk management in the Company's incentive arrangements, and that the risks arising from its compensation policies and practices are not likely to have a material adverse effect on the Company and the Bank.

## Compensation Committee Report

The Compensation Committee reviewed and discussed with management the Compensation Discussion and Analysis set forth in this Proxy Statement as required by Item 402 of Regulation S-K promulgated under the Exchange Act and, based on this review and discussion, the Compensation Committee has recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Respectfully submitted by the members of the Compensation Committee:

Christina Kao (Chair)  
Wendell Chen  
Richard Lin  
Christopher Lin, Ph D.

- (2) The value realized upon vesting of restricted stock and RSUs is calculated by multiplying the number of shares of restricted stock and RSUs vested by the closing price of our common stock on the vesting date and does not necessarily reflect actual proceeds received.

## **Pension Benefits and Non-Qualified Deferred Compensation**

As of December 31, 2021 and 2022, the Company did not offer pension benefits or nonqualified deferred compensation to our NEOs.

## **Potential Payments upon Termination or Change in Control**

The following presents information concerning estimated payments and benefits that would be provided in certain circumstances for each of the NEOs serving as of the end of the fiscal year ending December 31, 2022. Unless otherwise stated, the payments and benefits set forth below are estimated assuming that the termination of employment or change in control event occurred on the last business day of our fiscal year ending December 31, 2022 using the closing market price per share of our common stock on that date. Actual payments and benefits could be different if such events were to occur on any other date or at any other price or if any other assumptions are used to estimate potential payments and benefits.

We have entered into certain agreements with each of our NEOs that provide our NEOs with severance protections. The employment agreements provide that the NEOs will be eligible for severance benefits in certain circumstances following a termination of employment without cause, whether or not in connection with a change in control.

Under the employment agreements, if the executive's employment is terminated upon the occurrence of a "change in control," or by the executive for "good reason follow a change in control" (each, as defined in the employment agreement) then the executive will be entitled to receive the following severance payments and benefits:

- in the case of executive vice president's with employment agreements, payment in an amount equal to twelve (12) months of the executive's then current salary (eighteen (18) months in the case of CEO);
- in the case of executive vice president's with employment agreements, continuation of the executive's medical and dental insurance coverage for one (1) year or until the executive has found employment, whichever occurs earlier (eighteen (18) months in the case of CEO);
- the executive's then vested awards (as defined in the employment agreement) will be exercisable over the remaining term of the awards, subject to acceleration in specified circumstances; and
- immediate vesting of all unvested options and RSUs pursuant to the terms of the 2017 Plan.

In addition, if an executive with an employment agreement is terminated, regardless of a change in control, by the Company or Bank without "cause," then the executive will be entitled to receive continued payment of base salary for one year.

The severance payments and benefits described above are subject to the executive's execution and non-revocation of a general release of claims in favor of the Company and the Bank and continued compliance with customary confidentiality and non-solicitation requirements.

The following tables reflect the value of termination payments that each of Messrs. Morris, Liu, Yeh and Huang, who were the NEOs serving at December 31, 2022, would receive under their employment agreements or other employment arrangements, if they had terminated employment on December 31, 2022 under the circumstances shown. The tables do not include accrued salary and benefits, or certain amounts that the executive would be entitled to receive under plans or arrangements that do not discriminate in scope, terms, or operation, in favor of our executive officers and that are generally available to all salaried employees. Due to Mr. Thian's resignation in April 2022, information with respect to him has not been included in the below tables. For additional information, please see the section above entitled "Separation Agreement."

(1) The above table does not include amounts for stock option awards or RSUs that are fully vested, earned salary, and accrued vacation as those items are earned and due to the employee regardless of such termination or change-in-control events. It also does not include amounts payable under life insurance coverage, our accidental death and dismemberment coverage or our business travel accident coverage, which are programs available to all employees. Under the employment agreements with each NEO the term is 12 months following a change-in-control and the severance payment is equal to 1 time the sum of the executive's base salary plus 12 months continued healthcare benefits, except for Mr. Morris who receives a severance payment equal to 1.5 times the sum of his base salary plus 18 months healthcare benefits. Each form of payment is mutually exclusive based on the individual circumstances or events and therefore represents a single payment and should not be added together.

- (2) Represents in-the-money value of accelerated stock options or RSUs based on the closing price of our common stock on December 31, 2022 (\$20.85). Upon a termination due to retirement after the first anniversary of the grant date, stock options will continue to vest subject to non-compete/non-solicit and reasonable notice restrictions. Upon a change-in-control, stock options or RSUs will accelerate only if they are not assumed or substituted, and otherwise provide for a double trigger; values presume that the acquirer assumes outstanding stock options or RSUs.
- (3) The NEO's employment agreements provide an executive officer, who is terminated involuntarily without cause, a severance payment equal to 1.0 times base salary. Except for our CEO, each NEO employment agreement provides in connection with a change-in-control a severance payment equal to 1 times the sum of base salary plus one year of continued health benefits. Our CEO employment agreement provides for a severance payment equal to 1.5 times the sum of his base salary plus 18 months continued health care benefits under such circumstances. In the case of death, or disability, the NEO employment agreements provide for a severance payment equal to 3 months of the NEO's annual base salary.
- (4) Mr. Huang does not have an employment agreement. Under our Human Resource Policy employees receives 1 month salary per year of service up to 6 years of service or maximum of 6 months as severance for termination due to change-in-control or for involuntary termination without cause.

### CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Act Wall Street Reform and Consumer Protection Act (the "Dodd-Frank" Act) and the related SEC rule, we are providing the following information about the relationship of the annual total compensation of our employees and the annual total compensation of our Chief Executive Officer. For fiscal year ended December 31, 2022:

- the median of the annual total compensation of all employees of the Company (other than our Chief Executive Officer) was \$57,313; and
- the annual total compensation of our Chief Executive Officer, as reported in the "2022 Summary Compensation Table" included in this Proxy Statement, was \$1,183,555.
- Based on this information, the ratio of the annual total compensation of our Chief Executive Officer to the median of the annual total compensation of our employees was 21:1.

To identify the median of the annual total compensation of all our employees, as well as to determine the annual total compensation of our median employee and our Chief Executive Officer, we took the following steps:

- *Selection of Determination Date.* We determined that, as of December 31, 2022, we had 379 full-time equivalent employees (as reported in Item 1, Business, in our 2022 Annual Report).
- *Identification of Median Employee.* To identify the "median employee" from our employee population, we reviewed the 2022 total compensation of our employees. Total compensation includes base salary, overtime pay, bonus, and 401(k) employer match as reflected in the 2022 annual compensation statements provided to each employee as part of the year-end compensation process. We identified our median employee, excluding the CEO, using this compensation measure, which was consistently applied to all our employees included in the calculation. We did not make any cost-of-living adjustments in identifying the "median employee."
- *Calculation of Annual Total Compensation.* Once we identified our median employee, we combined all the elements of such employee's compensation for fiscal year ended December 31, 2022 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$57,313.

For our Chief Executive Officer's annual total compensation, we used the amount reported in the "Total" column of the "2022 Summary Compensation Table" included in this Proxy Statement.

## Pay Versus Performance Disclosure

In accordance with rules adopted by the SEC pursuant to the Dodd-Frank Act, we provide the following disclosure regarding executive “Compensation Actually Paid” (“CAP”) (as calculated in accordance with SEC rules) and certain Company performance for the fiscal years listed below. You should refer to the CD&A in this Proxy Statement for a complete description of how executive compensation relates to Company performance and how the Compensation Committee makes its decisions. The Compensation Committee did not consider the pay-versus-performance disclosure below in making its pay decisions for any of the fiscal years shown.

**Delinquent Section 16(a) Reports**

Pursuant to Section 16(a) of the Exchange Act and the related rules and regulations, our directors and executive officers and any beneficial owners of more than 10% of any registered class of our equity securities, are required to file reports of their ownership, and any changes in that ownership, with the SEC. Based solely on our review of copies of these reports and on written representations from such reporting persons, we believe that during 2022, all such persons filed ownership reports and reported all transactions on a timely basis, except for a Form 4 that was not timely filed for each of the following directors and executive officers: Peter Chang, Wendell Chen, Christina Kao, Dr. James W. Kao, Christopher Koo, Alfonso Lau, Christopher Lin, Richard Lin, Ko-Yen Lin, Paul Lin, Catherine Thian, Alan Thian, Raymond Yu, Ashley Chang, Tsu Te Huang, Vincent Liu, David R. Morris, Tammy Song, and Jeffrey Yeh.

## CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

### Policies and Procedures Regarding Related Party Transactions

We have adopted written policies to comply with regulatory requirements and restrictions applicable to us, including Sections 23A and 23B of the Federal Reserve Act (which govern certain transactions by the Bank with its affiliates) and the Federal Reserve's Regulation O (which governs certain loans by the Bank to its executive officers, directors and principal shareholders).

In addition, our Board of Directors has adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and the Nasdaq Stock Market concerning related party transactions. A related party transaction is a transaction, arrangement or relationship or a series of similar transactions, arrangements or relationships in which the amount involved exceeds \$120,000, in which we or the Bank participates (whether or not we or the Bank is a direct party to the transaction), and in which our or any of the Bank's directors, nominees to become a director, executive officers or employees or any of his or her immediate family members or any entity that any of them controls or in which any of them has a substantial beneficial ownership interest; or in which any person who is the beneficial owner of more than 5% of our voting securities or a member of the immediate family of such person has a direct or indirect material interest.

Our related party transaction policy is administered by our Audit Committee. This policy requires the Audit Committee to ensure that we maintain an ongoing review process for all related party transactions for potential conflicts of interest and requires that our Audit Committee pre-approve any such transactions or, if for any reason pre-approval is not obtained, to review, ratify and approve or cause the termination of such transactions. Our Audit Committee evaluates each related party transaction for the purpose of determining whether the transaction is fair, reasonable and permitted to occur under our policy, and should be pre-approved or ratified. Relevant factors considered relating to any approval or ratification include the benefits of the transaction to us, the terms of the transaction and whether the transaction will be or was on an arm's-length basis and in the ordinary course of our business, the direct or indirect nature of the related party's interest in the transaction, the size and expected term of the transaction and other facts and circumstances that bear on the materiality of the related party transaction under applicable law and listing standards. At least quarterly, management will provide our Audit Committee with information pertaining to related party transactions. Related party transactions entered into, but not approved or ratified as required by our policy concerning related party transactions, will be subject to termination by us or the Bank, if so directed by our Audit Committee or our Board, taking into account factors as deemed appropriate and relevant.

### Ordinary Banking Relationships

Certain of our officers, directors and principal shareholders, as well as their immediate family members and affiliates, are customers of, or have or have had transactions with us in the ordinary course of business. These transactions include deposits, loans and other financial services related transactions. Related party transactions are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to us, and do not involve more than normal risk of collectability or present other features unfavorable to us. Any loans we originate with officers, directors and principal shareholders, as well as their immediate family members and affiliates, are approved by our Board of Directors in accordance with the bank regulatory requirements.

As of December 31, 2022, our officers and directors as well as their immediate families and affiliated companies, taken as a group, were indebted directly and indirectly to us in the amount of \$6.9 million, while deposits from this group totaled \$88.1 million. As of December 31, 2022, several directors and their affiliates owned total \$8.1 million of RBB's subordinated debentures and no related party loans were categorized as nonaccrual, past due, restructured or potential problem loans. We expect to continue to enter into transactions in the ordinary course of business on similar terms with our officers, directors and principal shareholders, as well as their immediate family members and affiliates.

### Related Party Transactions

Other than the compensation arrangements with directors and executive officers described in "*Executive Compensation*" and the ordinary banking relationships described above, none of our directors, executive officers or beneficial holders of more than five percent of our capital stock, or their immediate family members or entities affiliated with them, had or will have a direct or indirect material interest, in any transactions since January 1, 2017, to which we have been a party in which the amount involved exceeded or will exceed \$120,000.

### Certain Transactions

Other Transactions. It is anticipated that the executive officers and directors of the Company, and the companies with which they are associated, will have banking transactions with the Bank in the ordinary course of business. It is the firm intention of the Board of Directors that any loans and commitments to loans included in such transactions will be made in accordance with applicable laws and on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable transactions with persons of similar creditworthiness that are not affiliated with the Bank, and in the opinion of management, these transactions do not involve more than a normal risk of collectability or present other unfavorable features. The aggregate limit that the Bank may lend to its insiders as a class is not greater than the Bank's unimpaired capital and unimpaired surplus. As of December 31, 2022, the Bank had extensions of credit to its directors together with their associates in the aggregate totaling approximately \$6.9 million representing approximately 1.11% of the Bank's equity capital as of that date. There were no Company loans to any insider of the Company.

There were no transactions during 2022 to which the Bank was a party, in which the amount involved exceeded the lesser of \$120,000 or 1% of the average of the Bank's total assets at year end for each of the last three completed fiscal years, and in which any director (or nominee for director) of the Bank, executive officer of the Bank, any shareholder owning of record or beneficially 5% or more of the Company's common stock, or any member of the immediate family of any of the foregoing persons, had a direct or indirect material interest.

**Indebtedness of Management.** Some of the current directors and executive officers of the Company and the companies with which they are associated have been customers of, and have had banking transactions with the Bank in the ordinary course of the Bank's business. The Bank expects to continue to have such banking transactions in the future. All loans and commitments to lend included in such transactions have been made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons of similar creditworthiness, and in the opinion of management of the Company, have not involved more than the normal risk of repayment or presented any other unfavorable features.

It is possible that, on the basis of sound business practices and subject to the approval of the Company's Board of Directors, the Bank may select companies owned, operated or controlled by directors to provide certain products and services to the Company. Any such purchases or transactions shall be made on reasonably competitive terms and prices and in accordance with applicable laws and regulations.

**Indemnification.** The Company's Articles provide that a director of the Company will not incur any personal liability to the Company, the Bank, or its shareholders for monetary damages for certain breaches of fiduciary duty as a director. A director's liability, however, is not eliminated with respect to (i) any breach of the duty of loyalty, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) paying a dividend or approving a stock repurchase which is illegal under certain provisions of state law, or (iv) any transaction from which the director derived an improper personal benefit. The Company's Articles and Bylaws also provide, among other things, for the indemnification of the Company's directors, officers and agents, and authorize the Company's Board of Directors to pay expenses incurred by, or to satisfy a judgment or fine rendered or levied against, such agents in connection with any personal legal liability incurred by the individual while acting for the Company within the scope of his or her employment (subject to certain limitations). It is the policy of the Company's Board of Directors that the Company's directors, officers and agents shall be indemnified to the maximum extent permitted under applicable law and the Company's Articles and Bylaws, and management has obtained director and officer liability insurance covering all of the Company's officers and directors.

## PROPOSAL 2:

### TO APPROVE, ON A NON-BINDING ADVISORY BASIS, THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Act) companies must provide their shareholders with the opportunity to cast an advisory vote to approve named executive officer compensation, commonly referred to as a "Say-on-Pay" vote, at least once every three years. In a vote held at the 2018 Annual Meeting of Shareholders, our shareholders voted in favor of holding Say-on-Pay votes annually.

The Board believes that the Company's compensation policies and procedures are appropriately aligned with the long-term interest of its shareholders. The Board also believes that both the Company and shareholders benefit from responsive corporate governance policies and constructive and consistent dialogue.

This Say-on-Pay proposal gives you, as a shareholder, the opportunity to endorse or not endorse our executive pay program through the following resolution:

***"RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby approved."***

As described in detail in this Proxy Statement, we intend for our compensation program to align the interests of our executive officers with those of the shareholders by rewarding performance for implementing the Company's various strategies, with the ultimate goal of improving long-term shareholder value. We evaluate both performance and compensation to ensure that we maintain our ability to attract and retain employees in key positions, and to ensure that compensation provided to key employees keeps these employees focused on franchise value creation. Our compensation program includes:

- base salary;
- annual cash incentive awards;
- long-term equity incentive awards;
- retirement plans and other benefits; and
- other executive benefits, such as perquisites and severance benefits.

### Vote Required

Your vote on this proposal is an advisory vote, which means that the Company and the Board are not required to take any action based on the outcome of the vote. However, the Compensation Committee will consider the vote of our shareholders on this proposal when determining the nature and scope of future executive compensation programs.

The affirmative vote of a majority of the shares present in person or represented by proxy and voting at the Annual Meeting is required to approve, on a non-binding advisory basis, the 2022 compensation paid to the Company's named executive officers, which is described in this Proxy Statement, provided that such shares also constitute at least a majority of the required quorum. Abstentions and "broker non-votes" are not counted in determining whether the affirmative vote constitutes a majority of the shares present or represented and voting at the Annual Meeting but could affect whether this proposal is approved because they do not count as affirmative votes in determining whether the shares voting affirmatively on the proposal constitute at least a majority of the required quorum unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

**The Board of Directors unanimously recommends that shareholders vote **FOR** approval of the compensation of the Company's named executive officers.**

**PROPOSAL 3:****RATIFICATION OF THE APPOINTMENT OF CROWE LLP AS THE COMPANY'S INDEPENDENT AUDITOR FOR THE FISCAL YEAR ENDING DECEMBER 31, 2023**

The Audit Committee of the Board considered the qualifications and experience of Crowe LLP ("Crowe"), and, in consultation with the Board, appointed them as independent auditors for the Company for the current fiscal year, which ends December 31, 2023. Although ratification of our independent auditors by shareholders is not required by law, the Audit Committee and Board desire to obtain the shareholders' ratification of such appointment. If ratification of Crowe LLP as our independent auditors is not approved by shareholders, the matter will be referred to the Audit Committee for further review.

Representatives of Crowe will be present at the Annual Meeting and will have the opportunity to make a statement, if they desire to do so, and to respond to appropriate questions.

**Change of Independent Auditor**

On August 18, 2022, the Company dismissed Eide Bailly LLP ("Eide Bailly") as our independent auditor, effective immediately, as described in our Current Report on Form 8-K, filed on August 18, 2022. The decision to change independent auditors was approved by the Audit Committee.

Eide Bailly's reports on the Company's consolidated financial statements for the fiscal years ended December 31, 2021 and 2020 and for each of the two years in the period ended December 31, 2021 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audits of the Company's consolidated financial statements for the fiscal years ended December 31, 2021 and 2020, and in the subsequent interim period through August 17, 2022, there were no disagreements with Eide Bailly on any matters of accounting principles or practices, financial statement disclosure or auditing scope and procedures which, if not resolved to the satisfaction of Eide Bailly, would have caused Eide Bailly to make reference to the matter in their report. There were no reportable events (as that term is described in Item 304(a)(1)(v) of Regulation S-K) during the two fiscal years ended December 31, 2021 and 2020, or in the subsequent period through August 17, 2022.

The Company has provided a copy of the foregoing disclosures to Eide Bailly and requested that Eide Bailly furnish it with a letter addressed to the SEC stating whether Eide Bailly agrees with the above statements. A copy of Eide Bailly's letter, dated August 18, 2022, was filed as Exhibit 16.1 to our Current Report on Form 8-K, filed with the SEC on August 18, 2022.

On September 21, 2022, the Audit Committee and the Board of Directors approved the engagement of Crowe LLP as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2022, effective immediately. During the fiscal years ended December 31, 2021 and 2020, and through September 21, 2022, neither the Company, nor anyone on its behalf, consulted with Crowe regarding: (i) either the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, or (ii) any matter that was the subject of a "disagreement" (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a "reportable event" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

Representatives of Eide Bailly will not be present at the Annual Meeting.

**Vote Required**

The affirmative vote of a majority of the shares present or represented by proxy and voting at the Annual Meeting is required to ratify the appointment of Crowe LLP as the Company's independent auditors for the fiscal year ending December 31, 2023, provided that such shares also constitute at least a majority of the required quorum. Abstentions are not counted in determining whether the affirmative vote constitutes a majority of the shares present or represented and voting at the Annual Meeting but could affect whether this proposal is approved because they do not count as affirmative votes in determining whether the shares voting affirmatively on the proposal constitute at least a majority of the required quorum. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

**The Board of Directors unanimously recommends that you vote FOR ratification of the appointment of Crowe LLP as the Company's independent auditors for the fiscal year ending December 31, 2023.**

**Principal Accounting Fees and Services**

The following table presents fees for professional services rendered to the Company by Crowe and Eide Bailly for the year ended December 31, 2022 and by Eide Bailly for the year ended December 31, 2021.

## Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specified audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it.

In 2022, 100% of Audit, Audit-Related and Tax Fees were pre-approved by the Audit Committee.

## REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter adopted by the Company's Board of Directors, the Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. During 2022, the Audit Committee met 11 times. The Audit Committee discussed the interim financial information contained in each quarterly earnings announcement with the Chief Financial Officer prior to public release.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence, discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee reviewed with both the independent auditors and the internal auditor's audit plans, scope, and results.

The Audit Committee discussed and reviewed with the independent auditor all communications required by the Statement on Auditing Standards No. 16, as amended (AICPA, Professional Standards, Vol. 1, AU §380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and discussed and reviewed the results of the independent auditor's audit of the consolidated financial statements. The Audit Committee also reviewed and discussed the results of the internal audit examinations.

The Audit Committee reviewed the audited financial statements of the Company as of and for the year ended December 31, 2022, with management and the independent auditors. Based upon its review of the audited financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2022.

## HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy delivery requirements for annual reports, proxy statements, and Notices of Internet Availability of Proxy Materials with respect to two or more shareholders sharing the same address by delivering a single annual report, proxy statement, and Notice of Internet Availability of Proxy Materials addressed to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for companies. We and some brokers household proxy materials, delivering a single Notice of Internet Availability of Proxy Materials to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report, proxy statement, and Notice of Internet Availability of Proxy Materials, or if you are receiving multiple copies of the annual report, proxy statement, and Notice of Internet Availability of Proxy Materials and wish to receive only one, please notify your broker or nominee if your shares are held in a brokerage account or other account or our agent, IssuerDirect if you hold registered shares. You can notify IssuerDirect by sending a written request to: IssuerDirect, One Glenwood Avenue, Suite 1001, Raleigh NC 27603, or by calling IssuerDirect at (919) 481-4000.

## PROPOSALS BY SHAREHOLDERS AT 2024 ANNUAL MEETING

### Shareholder Proposals

In order for a shareholder proposal for the next annual meeting to be eligible for inclusion in the Company's Proxy Statement pursuant to SEC Rule 14a-8 promulgated under the Exchange Act, the Company must have received the proposal and supporting statements at its principal executive offices no later than January 15, 2024, which is one hundred twenty (120) days prior to the anniversary date we released this Proxy Statement to shareholders, unless the date of the 2024 annual meeting of shareholders is changed by more than thirty (30) days from June 9, 2024, the one-year anniversary of the Annual Meeting, in which case the proposal must be received a reasonable time before the Company begins to print and send its proxy materials. A shareholder must provide its proposal to the Company in writing, and it must comply with the requirements of SEC Rule 14a-8. Any such proposals should be sent to the attention of the Corporate Secretary of the Company at RBB Bancorp, 1055 Wilshire Blvd., 12th Floor Los Angeles, CA 90017.

Pursuant to Rule 14a-4(c)(1) promulgated under the Exchange Act, the proxies designated by the Company for the Annual Meeting will have discretionary authority to vote with respect to any proposal received after March 28, 2023, which is approximately forty-five (45) days before the date on which the Company first sent the proxy materials for the Annual Meeting, unless the date of the 2024 annual meeting of shareholders has changed by more than thirty (30) days from June 9, 2024, the one-year anniversary of the Company's Annual Meeting, in which case, the proposal must have been received a reasonable time before the Company begins to print and send its proxy materials. As of the date of this Proxy Statement, the Company has not received any notice that a shareholder intends to present a proposal at the Annual Meeting.

### Director Nominations

Pursuant to our Bylaws, nominations for election of members of the Board of Directors of the Company may be made by the Board of Directors or by any shareholder of any outstanding class of capital stock of the Company entitled to vote for the election of directors. Notice of intention to make any nominations (other than for persons named in the Notice of 2023 Annual Meeting of Shareholders) shall be made in writing and shall be delivered to the President of the Company by the later of the close of business on May 19, 2023, which is twenty-one (21) days prior to the Annual Meeting. The notice shall be signed by the nominating shareholder and by the nominee. Nominations not made in accordance with this paragraph shall be disregarded by the chairman of the Annual Meeting, and upon his instructions, the inspectors of election shall disregard all votes cast for each such nominee. The restrictions set forth in this paragraph shall not apply to nomination of a person to replace a proposed nominee who has died or otherwise become incapacitated to serve as a director between the last day for giving notice hereunder and the date of election of directors if the procedure called for in this paragraph was followed with respect to the nomination of the proposed nominee.

In addition, to comply with the SEC universal proxy rules, shareholders who, in connection with the 2024 annual meeting of shareholders, intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice to the Company that sets forth the information required by the SEC's Rule 14a-19 no later than April 10, 2024, unless the date of the Annual Meeting of Shareholders has changed by more than thirty (30) calendar days from June 9, 2024, the one-year anniversary of the Annual Meeting, in which case such notice must be provided by the later of sixty (60) calendar days prior to the date of the 2024 annual meeting of shareholders or the tenth (10th) calendar day following the day on which public announcement of the date of the annual meeting is first made by the Company.
